

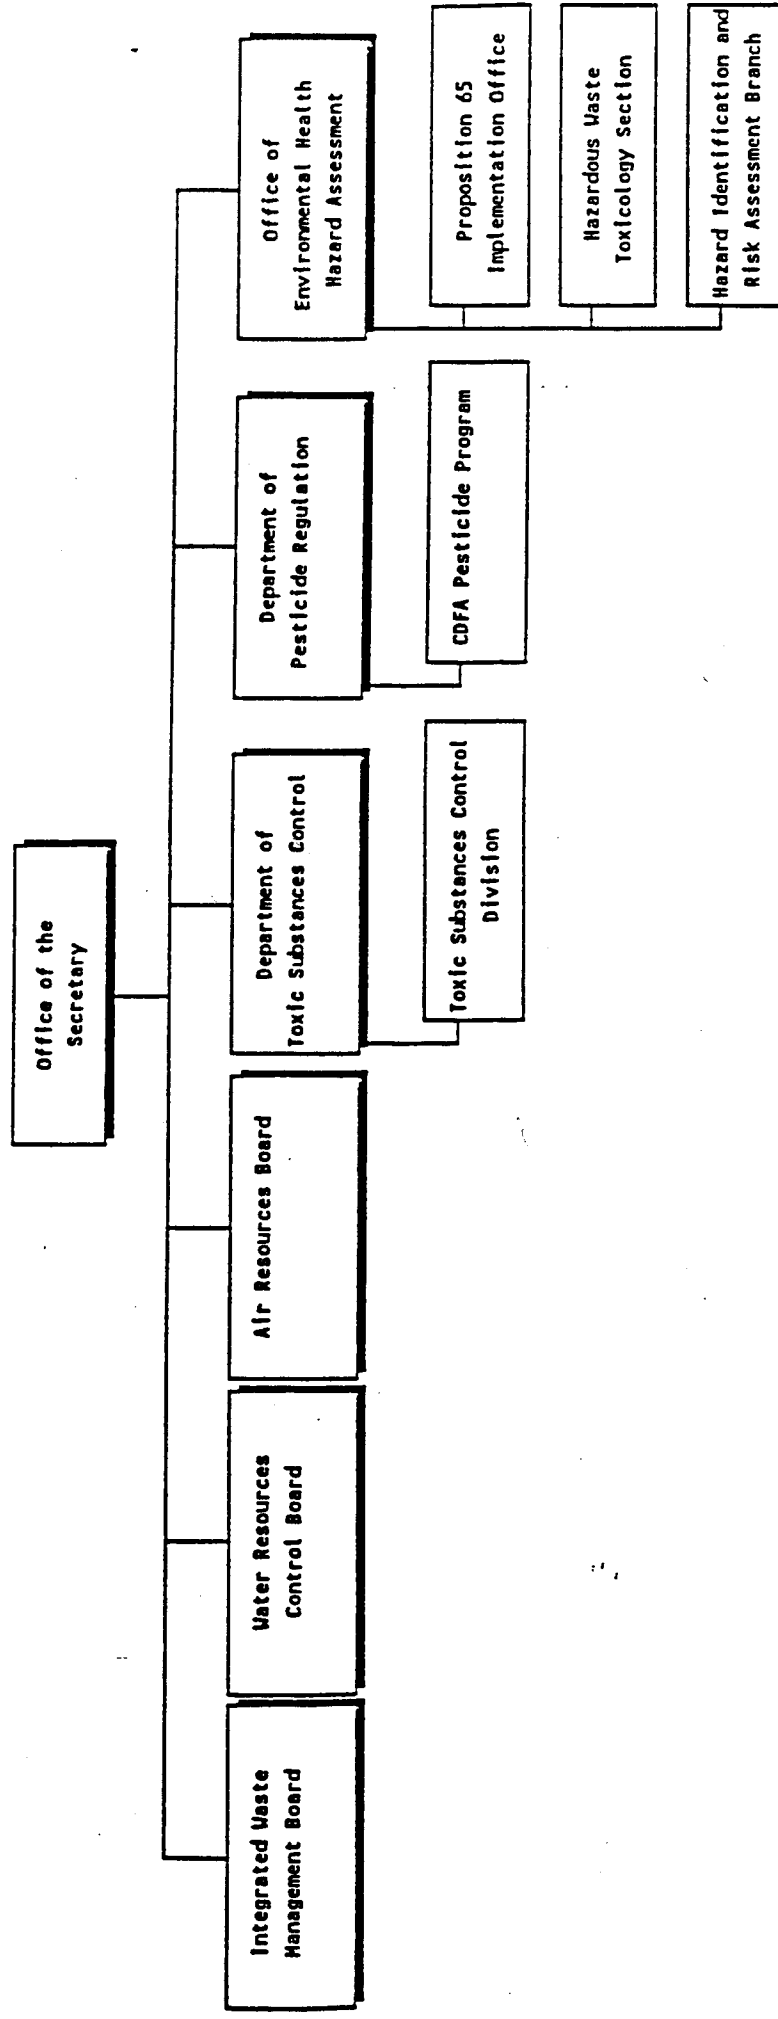

CHART 1: CAL-EPA ORGANIZATIONAL UNITS

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

EXECUTIVE ORDER W-14-91

WHEREAS, Governor's Reorganization Plan Number One of 1991 has established the California Environmental Protection Agency (Cal-EPA); and

WHEREAS, under the leadership of the Secretary for Environmental Protection, Cal-EPA will provide coordinated, integrated, and accountable management of environmental protection programs in California; and

WHEREAS, the establishment of a management-level body to assist the Secretary in the coordinated execution of environmental policy will further the achievement of the objectives which I have defined for Cal-EPA; and

WHEREAS, an environmental strategic planning process--a comprehensive process to establish goals, set program and budget priorities for environmental programs, and track and monitor environmental improvements--is one of the critical elements needed for Cal-EPA to be able to accomplish its mission;

NOW, THEREFORE, I, PETE WILSON, Governor of the State of California, by virtue of the power and authority vested in me by the Constitution and statutes of the State of California, do hereby establish the California Environmental Policy Council, effective immediately. Said Council shall consist of the following:

Secretary for Environmental Protection, CHAIRPERSON
Chairperson, Air Resources Board
Chairperson, Integrated Waste Management Board
Chairperson, Water Resources Control Board
Director, Department of Pesticide Regulation
Director, Department of Toxic Substances Control
Director, Office of Environmental Health Hazard Assessment

and,

IT IS FURTHER ORDERED that the duties of the Environmental Policy Council are to assist the Secretary for Environmental Protection in coordinating the implementation of environmental programs, and develop recommendations for the Governor as to actions necessary to effectively protect and enhance the environment of the State; and

IT IS FURTHER ORDERED that in discharging its duties the Environmental Policy Council shall, with the active participation of the public and other interested parties, develop an environmental strategic planning process for California which does all of the following:

1. Identifies and assesses the environmental problems facing California,
2. Determines which of these problems pose the greatest risk to public health and the environment,

3. Identifies and evaluates action initiatives to address the identified priority problems; and
4. Uses the above information and evaluations to recommend needed reallocations of resources to best meet our environmental goals; and

IT IS FURTHER ORDERED that the Environmental Policy Council shall submit to me not later than January 1, 1992 a report detailing its preliminary findings and recommendations; and

IT IS FURTHER ORDERED that member Boards, Departments and Offices shall make available to the Chairperson of the Environmental Policy Council such resources, facilities, and personnel as he may request.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 17th day of July 1991.

Governor of California

ATTEST:

Secretary of State
